Re: CC Docket No. 98-121

Dear Ms. Salas:

On December 8, 1998 Bill Stacy, Kathy Wilson-Chu, Ron Pate, Gene Piatkowski, and I participated in a teleconference with members of the Common Carrier Bureau's Policy and Program Planning Division. Division staff members participating in the meeting included Claudia Fox, Andrea Kearney, Jake Jennings, and Michael Pryor. The meeting focused upon the OSS requirements discussed in the Commission's recent order denying BellSouth's application for authority to provide in-region, interLATA service in Louisiana. The attached documents, given to those attending this meeting, provided the framework for the discussion that ensued.

As required by Section 1.1206(a) of the Commission's rules, I am filing two copies of this notice and ask that you place this notification in the record of the proceeding identified above. Thank you.

Sincerely,

Kathleen B. Levitz  
Vice President-Federal Regulatory
